Purchasing and selling of manufactured goods

14. Q.—SRI K. SATTANATHA KARAYALAR: Will the Hon. the Minister for Industries be pleased to state the system adopted in purchasing and selling goods to and from other Government concerns?

A.—Purchases of goods manufactured by the concerns of other State Governments are effected by adopting the tender system prescribed in the Code Rules. If, however, the goods are included under rate contract, direct indent is placed with the concerns of other Governments without calling for tenders.

So far, no enquiry has been received from other State Governments for the purchase of the goods manufactured by the commercial concerns of this Government.

Government High Schools

16. Q.—SRI K. SATTANATHA KARAYALAR : Will the Hon. the Minister for Finance be pleased to state—

- (a) the total number of Government High Schools in our State ;
 - (b) the number of Government High Schools that are temporary ;
- and
- (c) the number of Government High Schools (temporary) in Madras State excluding transferred territory ?

A.—(a) 61, Sir.

(b) & (c)—The High Schools are not classified as permanent or temporary. It is the posts in the Government High Schools that are so classified. In five Government High Schools under the Education Department (two in the Kanyakumari district and three in other areas) all the posts are temporary.

Sea-Coast road from Muthupet to Mimisal

17 Q.—SRI R. SRINIVASA IYER : Will the Hon. the Minister for Works be pleased to state—

(a) whether the Government are aware of the petition, dated 3rd April 1958 from M.L.As. and M.L.Cs. presented to the Minister for Works requesting for improvement of the Sea-Coast Road between Muthupet and Mimisal (via) Rajamadam ; and

(b) if so, the action taken thereon ?

A.—(a) & (b). Yes. The Memorandum was forwarded to the Government of India with the support of this Government. It is proposed to develop the East Coast Road from Madras to Cape Comorin as a National Highway by giving high priority to it in the Third Five-Year Plan. The Sea-Coast Road from Muthupet to Mimisal (via) Rajamadam forms part of the East Coast Road.

Cotton handlooms

18 Q.—SRI N. K. PALANISAMY : Will the Hon. the Minister for Industries be pleased to state—

- (a) the number of cotton handlooms at work in the State ;
- (b) the approximate number engaged in the production of cotton speciality fabrics which do not have to face any competition of the Indian Weaving Mills ;
- (c) the approximate number engaged in the weaving of cotton fabrics which have to face competition of the composite weaving Mills in India ;
- (d) the quantity of cotton yarn consumed per annum by the weavers under the above two categories ;
- (e) the difference in the prices of cloths which form the Common Weaving apparel of the masses produced on handlooms and the mills in India ; and
- (f) the difference in the rate and cost of production of warps made by indigeneous processes and by the machinery ?

23rd August 1960]

18. A.—(a) 413,575 looms out of 466,366 cotton handlooms registered.

(b) 360,297 looms.

(c) 106,069 looms.

(d) 300,660 bales of yarn per annum.

(e) A statement showing the comparative rates of handloom and mill cloth is given below.

Due to imposition of excise duty and sales tax, the handloom cloth is cheaper than the mill-made cloth.

(f) There is not much difference in the production of warps by indigenous processes and by the machinery. Due to difficulty in hiring labour for sizing, the power-sized warps become popular. The power sized warps are getting popular in areas where plain fabrics like dhoties, gada, etc., are woven.

II. PRIVILEGE MATTERS.

(1) ARREST OF A MEMBER.

An asterisk (*) at the commencement of a speech indicates revision by the member.

MR. SPEAKER: Hon. Members are aware of the matter of privilege raised on 9—8—1960 by the Hon. Sri M. Kalyanasundaram about his arrest on 13th July 1960 under Section 151 Criminal Procedure Code when he was staying in the Legislators' Hostel and preparing for the ensuing session of the Legislature. In this connection I have heard the views of the leaders of parties and the Hon. the Leader of the House on 18th August 1960 and I had reserved my ruling. Today I am giving my ruling.

In all cases of privilege, under rule 188 of the Madras Assembly Rules, I have to decide whether there is a *prima facie* case or not. Before doing so, I have to satisfy myself whether the matter referred to is of recent occurrence and whether it involves a question of privilege. The Hon. Member Sri Kalyanasundaram, was arrested on the 13th July and he gave notice of the alleged
